Memorial Park is part of the national axis with an area of 2,034 square meters and a courtyard that can accommodate a thousand people. The Director General of Cipta Karya, Diana Kusumastuti, added, "The target is that during the August 17, 2024 ceremony, we can already use this Memorial Park. As for the budget, it is 361 billion from the state budget."

Chairman of the NCA, Bambang Susantono, stated, "Memorial Park will be a sacred symbol of the Indonesian Independence Day ceremony. It will be a place that reminds us all of the struggles of the heroes and the eternal flame of the Indonesian people's struggle."

In line with Bambang, President Joko Widodo added, "This place will always remind the Indonesian people, all of us, of the services of the nation's heroes who fought to realize Indonesia's independence."
